

Coffee Morning 05.10.2021

Brief:

- PCR testing mechanism
- Vaccination
- Buses

Discussion:

- Principal shared the PCR testing protocols for different categories of students
Students below 12 must test every 30 days
Students above 12 (non-vaccinated) every 7 days
Students above 12 (vaccinated) every 30 days
- Principal advised parents to vaccinate their children so the school life is back to normal as soon as possible. He also requested that parents upload the PCR results regularly on the school portal.
- We have added more buses and made changes in students' bus numbers. Principal explained the new mechanism for bus routes.

Meeting ended at 10:30 AM
