

Coffee Morning 06.10.2020 Minutes of Meeting

Brief:

Mr. Saad explained to parents that the reason behind putting DL students in a separate section instead of hybrid learning is that the teacher will have full focus on students during lessons and parents appreciated this model. Parents and the principal also discussed the new school timing, assignments, and the level of Arabic language at AJIS and the efforts being made in elevating it. Mr. Saad informed parents about the Health and Safety measures taken in school with regards to Covid-19.

Discussion Points:

- Changes in Modes of Learning
- Assignments
- School Timing
- Arabic Language
- Health & Safety

Highlights:

- Principal explained the reasons behind separating FTF from DL students and having a separate section for DL students.
- Parents requested to extend the deadline of submitting assignments.
- Parents are happy with the new reduced school timing.
- Parents requested that report cards highlight the accurate level of students' attainment in Arabic subjects. School will and follow up on this and the principal highlighted that great efforts are currently being made in order to elevate students' attainment in those subjects.
- Health & Safety precautions with regards to Covid-19 were shared with parents.
