

## **Coffee Morning 14.01.2021 Minutes of Meeting**

### **Brief:**

Principal discussed with parents about the return of FTF students to school and students Saliva PCR testing. He also gladly informed them that about 100 school staff will take the Sinopharm vaccine on January 24<sup>th</sup> 2021.

### **Discussion Points:**

- Students return to FTF learning
- Vaccination campaign
- Saliva PCR testing
- Daily work submission
- Break time
- BSME representative

### **Highlights:**

- Students return on Sunday is confirmed.
- High participation from staff is expected in the Vaccination Campaign on January 24<sup>th</sup>.
- Primary students Saliva PCR testing updates.
- Parents requested to extend the daily class work submission deadline and this was explained thoroughly to parents. If distance Learning was extended further, the school will look into extending the deadline.
- Parents said that the break time between lessons is not enough. School explained that if distance learning continues, major changes to the daily timetables will happen.
- Mr. Saad happily shared with parents that he is now the country representative in the British Schools of Middle East BSME.
