

Coffee Morning 16.11.2021

Brief:

- Report Cards
- Kutubee Application
- National Day Celebration
- Vaccination
- Expo trips
- School timing
- Foreign Languages

Discussion:

- Principal informed parents that we will be having a virtual webinar for parents in the next weeks to explain about the mechanism of reporting for this Academic Year regarding Classroom Monitor, KPIs and attainment targets.
- Principal proudly announced that our students have read more than 8000 books on Kutubee app since September 2021. Parents informed principal about the positive learning of Arabic Language that students are gaining from using this app.
- The 50th UAE National Day celebration will take place virtually on November 25th 2021. Due to ADEK Covid-19 regulations, it will be difficult to host parents inside the school. However, they will be able to watch their children live on MS Teams
- School will start taking students on Expo trips from January 16th 2021
- Only 23 % of our students are vaccinated so far which keeps the school in the Orange category. Principal encouraged parents to vaccinate their children for their health and safety and to help the school reach the Blue status.
- Parents requested to reduce the school timing and the principal explained that we are unable to do this at the moment as we have tight timing in covering the curriculum requirements.
- Parents requested to add French language in school. Principal explained that we also want to focus on Robotic, STEM and artificial intelligence in addition to foreign languages.

Meeting ended at 10:45 AM
